### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims 31, 32, 40, 41, 43-46 have been cancelled.

Claim 42 has been rewritten into independent form:

A stent insertable into the body passageway, including:

a flexible self-expanding braided tubular wall comprising at least one first wire helically wound at a substantially constant first pitch and at least one second wire helically wound at a substantially constant second pitch different from the first pitch whereby the first and second wires cooperate to form multiple crossing points of the at least one first wire and the at least one second wire;

wherein at selected crossing points, each of the first wire and the second wire is shaped to form an elevation extended away from the braided tubular wall in a selected direction radially of the braided tubular wall; and

wherein said elevations are arranged in at least one elevation pattern on the braided tubular wall, and the at least one elevation pattern has a third pitch different from the first pitch and different from the second pitch;

wherein the elevations are arranged in a helical elevation pattern on the braided tubular wall.
